March 2026

"THIS IS THE DAY WHICH THE LORD HAS MADE. WE WILL REJOICE AND BE GLAD IN IT." PSALM 118:24

Dear Parents,

February was a fantastic month of learning in TK.

We discovered how large dinosaurs by measuring and had wonderful day long celebrations for Valentines Day, the Chinese New Year and the 100th Day.

We will begin the First Friday of March as Share Day! This will be one the 1st Friday of each month. Your child is welcome to bring a special toy to share. The toy must relate with the Theme of the Week. Reminder: Theme of the Week can be found in the monthly newsletters.

Spring has also sprung! We are happy for a new beginning and for the fresh air and sunshine. The children are growing, learning quickly and absorbing everything around them as they are naturally curious.

We highly encourage you to take this time to Read, Read, Read! Please continue to go over the Language Arts Letter Books. Please read to your child, and read WITH them.

Exploring new books at the library is also a great way for children to learn more and practice their skills. It is such a joy to see the excitement on a child's face when they find a new book and discover that they too can read.

As always, thank you for your love and support as well as all the Valentine cards and treats! We truly appreciate all of you. If you ever have questions or concerns, please call the office to schedule an appointment with me.

Thank you,
Jill Gilmete, Head Teacher
