### Birthday Celebrations: less sugar please!

Although we love sweets, we ask that you please send something more nutritious. Instead of cupcakes, we suggest fresh fruit, veggies with dip, individual size yogurt, etc.  
Thank you!!

## DEAR PARENTS,

Spring is here! The air is warm, the sun is shining and everything is growing; including the children. As children grow physically, emotionally, socially and academically, they often push boundaries. Each child progresses in different ways. Some children begin to 'tell stories', become interested in 'playing doctor', while others tattle or report, or call each other names.

These examples are normal development for children in this age group. They are learning and needing boundaries as they experience and live life in a new way. Please continue to talk to your child when these changes occur.

The students have come so far and we still have a few more months of letters, numbers, refining friendship building skills, etc to go. In class we continue to discuss how to cooperate and collaborate together, what it means to be a good friend, and how God wants us to treat each other.

With Easter Sunday on Sunday, April 5th, we will also be discussing the Resurrection of Jesus. We will talk about the sacrifice that Jesus made for all of us and continue to talk about God's love & blessings throughout this Lenten Season. We will be closed for Easter Break on April 6 - 10th and re-open on April 13.

As the weather changes and continues to warm up, please make sure to:

- Apply sunscreen each morning before school
- Bring an extra change of light clothes
- Remember our Treehouse Rule: No crocs, water shoes, sandals, flip flops, or other open-toed shoes at Treehouse. We want our children's feet to be safe as they move around and play.

If you have any questions or concerns please call the office and make an appointment with me.

Blessings,  
Teacher Jenna

## Summer Session 2026

This is a great option for your child to enrich their summer by attending the Summer Session at Treehouse! Summer school will help prepare your child for the class he or she will attend in the Fall.

If you are interested in having your child attend Summer Session 2026, (July and August) enrollment forms are available by the sign in/out table or stop by the office. Due to staffing, Summer enrollment is on a first-come-first-serve basis. Please enroll your child no later than April 30, 2026.
