## DEAR PARENTS,

Happy New Year! We hope you and your family shared a wonderful holiday season together. Thank you to everyone for all of the wonderful gifts we received.

January is filled with a variety of fun and engaging themes. We will first discover the wonderful world of winter. Then it's on to learning about Dr. King and other famous African Americans who have contributed to our country, the solar system and lastly winter animals.

#### Reminders:

- Please sign up for a parent/teacher conference time slot on Jan 23 - 24. During our conference we will discuss how your child is doing and any other concerns you might have.
- Please refresh your child's extra clothes in their cubby as some clothing may be more suitable for summer or too small. Always check their cubby and communication folder for important information and returned papers.
- Please continue to work with your child at home by going over the beginnings language art book and math worksheets.

We are delighted to share with you that your children are doing well. Please keep up the good work! We are looking forward to a great year filled with growth, fun and learning.
