**Birthday Celebrations:
less sugar please!**

Although we love sweets, we ask that you please send something more nutritious. Instead of cupcakes, we suggest fresh fruit, veggies with dip, individual size yogurt, ect. Thank you!!

DEAR PARENTS,

Spring has sprung! The air is warm, the sun is shining and everything is growing; including the children. They have come so far since the beginning of the school year and we still have a few more months of letters, numbers, refining friendship building skills, etc to go. In class we continue to discuss how to cooperate and collaborate together on a deeper level, what it means to be a good friend, and how God wants us to treat each other.

In April we will be focusing on Birds, Insects, Spiders and Easter Projects. During our Easter Project week we will be focusing on the true meaning of Easter and its importance. This is a very special week and watching the children learn about Easter is wonderful.

As the weather changes and continues to warm please make sure to:

- Apply sunscreen each morning before school
- Bring an extra change of clothes
- Remember the no sandals at Treehouse rule. We want the children's feet to be safe.

If you have any questions or concerns please call the office and make an appointment with me.

Blessings,
Teacher Jenna

Summer Session 2023

This is a great option for your child to enrich their summer by attending the **Summer Session** at Treehouse!

Summer school will help prepare your child for the class he or she will attend in the Fall.

If you are interested in having your child attend Summer Session 2023, (July and August) enrollment forms are available by the sign in/out table or stop by the office.

Due to shortage of staffing, Summer enrolment is on a first-come-first-serve basis. Please enroll your child no later than April 28, 2023.
