Parent Newsletter February 2025

Dear Parents,

January was filled with fun and excitement with winter activities and learning about Dr. Martin Luther King, Jr. and other famous Black Americans.

Thank you for participating in the Parent Teacher Conference. I see tremendous growth from the students and it was good to talk to you about your child's progress. I appreciate your support in our partnership.

Thank you to Alder Young and Family for providing red envelopes for the class to celebrate Chinese New Year!

February is a special month of fun-filled activities and learning about God's love and how to love one another. During this month we will discover dinosaurs/reptiles and celebrate Valentine's Day, and 100 days of school!

Please continue to review The Beginning Language Arts book and math worksheets. The work is often challenging and may require repetition. As we move into spring, kindly refresh your child's extra clothes in their cubby.

Thank you for all your support, for taking time to read this newsletter and for working with your child! If you have any questions or concerns, please don't hesitate to contact the office to set up an appointment with me.

Thank you and God bless,
Jill, Head Teacher
