2024-2025 School Year

WELCOME!

Welcome to the 2024-2025 School Session! I look forward to a great year, filled with learning and fun for everyone.

The early childhood years are the most important stage in a person's life. These formative years are a crucial time for parents and educators to provide positive experiences and instill strong character in children.

Please feel free to email me with any questions. You are also welcome to come see me in person for any questions or concerns.

I am thankful for each one of you that you chose Treehouse Preschool for your child's early education.

I welcome our new and returning families to Treehouse. We will have a wonderful year together.

May the Lord bless your family!

General Information

Parent – Teacher Communication

Newsletters will be emailed via Constant Contact to both parents at the beginning of each month. (All parents have already been signed up to Constant Contact. No action is needed. If you do not receive any Constant Contact emails, please contact us).

Please read all emails carefully. They will provide you with information about events taking place in the classroom. If information needs to be given in the middle of a month, it will be shared in the same manner.

If you need to discuss matters with your child's Head Teacher, please make an appointment. It is not always possible for the teaching staff to give you their full attention during class sessions.

Cubbies

Each child has a basket or "cubbie" with his or her name on the front. This cubbie is a place for the children to store their special artwork and other projects.

Please check your child's cubbie on a regular basis and take all art projects home with you.

Clothing

It is important that you send your child to school in clothes that are both comfortable and washable.

We also ask that your child wear comfortable tennis shoes. No sandals or Crocs will be allowed.

Please bring an extra set of clothes and underwear to school for your child.

Please remember to label all clothing, including sweaters and jackets.

Sign In & Sign Out Procedures

It is required by law that you sign in and sign out your child each day, using your full signature at all times. Please write clearly and record your time accurately, noting any drop-in hours.

No sibling or person under eighteen (18) years of age is legally allowed to sign in or sign out any Treehouse student.

Treehouse requires written permission from a parent in order to add persons to the list of those authorized to pick up your child. If a nanny is picking up your child, make sure that your child is picked up on time and is properly signed out.

During **morning drop-off** parents are restricted from coming into the classroom. Parents will sign in/out at the counter, wash their child's hands and bring them to the classroom door, where a teacher will greet them. LA students will have their hands washed by a teacher. TK parents will sign in/out at a table outside the classroom. A teacher will then take them inside to wash their hands

During **afternoon pick-up**, parents may enter the classroom to collect their child's belongings.

Room Parents

Thank you for our wonderful room parents who continue to support us year after year!

Birthdays

Children are invited to celebrate their birthdays at school. If you would like to bring a special snack for your child's class please inform the Head Teacher so she can put your child on the birthday calendar.

We can have fun and limit the amount of sugar. We suggest that instead of cupcakes children bring fruit, fresh veggies with dip, individual size yogurt. No nuts/peanuts please.

Parents will not be allowed to join in the classroom celebrations at this time.

General Information

Lunch Time

Parents are asked to provide a nutritious lunch for their child if he or she is scheduled to stay for the noon hour. The Little Angels class have lunch at school starting around 11:30 am, and Preschool, Pre-K, and TK will have lunch at 11:55 am.

Please do not send junk food, candy, or food needing refrigeration or heating. Hot food may be prepacked from home in thermos containers. However, we do not heat up any student lunches and we do not have space to refrigerate students' lunches.

24-25 Treehouse Directory

Every year we release our school directory in November. This directory contains photos of all the children, their names, and their families' address and contact info. This directory is for personal use such as play dates and outside school birthday parties. Every family will receive a free copy. *If you do not wish for your child's photo or family address to be in the directory, please email Jan or Kayla.
