April Themes

**Birthday Celebrations:
less sugar please!**

Although we love sweets, we ask that you please send something more nutritious. Instead of cupcakes, we suggest fresh fruit, veggies with dip, individual size yogurt, ect. Thank you!!

DEAR PARENTS,

We are so excited that spring has sprung and the children growing and are learning how to read and spell! We had a wonderful time in March exploring the Amazon Jungle, animals in our homes and on the farm, and we learned about who St. Patrick was and why celebrating him is important.

We are moving away from Share Day for toys! I encourage any theme related books instead. Books are an amazing way for children to use their imagination and exposes them to print. Trips to the library are also encouraged for extended learning.

We appreciate the time and effort that you put into your child's education. Please continue to have your child "read" and spell out words at home to you. We thank you for the continued support and encouragement that you give your child.

Our weather is so crazy these days, so please have children also have a lightweight jacket (layers) so we can adjust throughout the day. Especially as we get close to the warmer months.

If you have questions or concerns regarding your child, please contact the office and make an appointment with me.

Blessings to you!
Teacher Jill

Summer Session 2023

This is a great option for your child to enrich their summer by attending the Summer Session at Treehouse!

Summer school will help prepare your child for the class he or she will attend in the Fall.

If you are interested in having your child attend Summer Session 2023, (July and August) enrollment forms are available by the sign in/out table or stop by the office.

Due to shortage of staffing, Summer enrolment is on a first-come-first-serve basis. Please enroll your child no later than April 28, 2023.

"I can do all things through Christ..." Phillipians 4:13
