It is hard to believe that we are already in the month of April. The year is truly flying by so fast. Thank you for your support partnering with us as we love, nurture and guide our children. We appreciate each of you for your prayers, love and support.

Tuition Fees for June 2026

Please be advised that we do not prorate fees for students leaving before the end of the school session, nor do we allow a change of schedule to reduce hours.

You are required to pay tuition fees for September 2025 through June 2026, as contracted at the beginning of the school year. On our last day of school, June 26, and school closes at 12:00 noon sharp. Please plan accordingly

Also be aware that 2 tuition fees are due in June: September 2026 tuition & July Summer tuition. For our returning families in the 2026-27 school year, June 1st is when September 2026 tuition is due – with the increased tuition rate.

For those who signed up for our Summer sessions, July tuition is due June 8th.

Easter Class Party & Easter Break

During this beautiful Easter season as we celebrate our risen Lord, we are reminded of His unconditional love for us. We are so thankful for the gift of our salvation because of the sacrifices Jesus made for us at the cross. May you be blessed as you reflect on His love for us all.

Our Easter celebrations in the classrooms will be on Thursday, April 2. We will fill our plastic eggs with yummy jellybeans for us to take home.

School will be closed for Easter Break from April 6-10. We return on Monday, April 13. Have a wonderful time off with your family.

2026-27 School Year Enrollment

Thank you for sending your friends and relatives our way. We do have a few spaces left in each classroom for the new school year.

The Butterfly Nursery

Every year in all of our classrooms, we watch live caterpillars grow into breathtaking Painted Lady Butterflies. We are so excited to watch our butterfly larvae grow. Once they turn into butterflies, we will take them outside, where we will say our good-byes and thank them for spending time with us in our classroom.

This is such a beautiful process for the children to experience. As teachers we enjoy seeing the wonder in the children's eyes as the butterflies evolve into various stages.

Thank You

My heartfelt gratitude to all the parents who showed up for Parent Volunteer Work Day.

We appreciate your work hauling and spreading the wood chips in our upper play yard and other tasks. The children are blessed and enjoying the new bark. God bless you all.
